Re: Welch v. City of Peekskill  
Civil Action No. 7:21-cv-7230 (PMH)

Dear Judge Halpern:

This office represents Plaintiff Tryone Welch in the above matter, which is currently scheduled for a pre-trial conference on April 24, 2024. All required pre-trial documents (proposed JPTO, jury charge, verdict form and voir dire) have been filed. I write to request a short adjournment of the pre-trial conference for a date after April 26, 2024 (proposed alternative dates are listed below).

This request is necessitated by an unavoidable conflict. I serve as outside counsel to the United Auto Workers and will be in Charlotte, North Carolina the week of April 22 as principal counsel in contentious negotiations with Daimler Trucks North America (DTNA) with a strike deadline of April 26, 2024. Bargaining will almost certainly be wall to wall leading to that strike deadline.

Defendant's counsel has graciously consented to this request and we collectively propose any of the following dates for a rescheduled conference: April 30, May 7, 9, or 10.

Thank you for your attention to this request.

Respectfully Submitted:

Nathaniel K. Charny
